SUBJECT: PETITION TO WAIVE ADDITIONAL FEES

Dear Mail Stop Petition Officers,

When you look up the file on aforementioned patent application you will notice a fee assessed in the amount of approximately \$740.00 additional to the standard Small Entity Application Fee of \$450.65. I have been assessed this fee for circumstances completely out of my control.

I only learned of this fee and the circumstances in which it was levied on Friday, May 14, 2004. It was on this day that I learned for the first time that a notice had gone out to the attorney of record on December 2, 2003 stating that the application was receiving an incomplete status due to the fact that the application fee was not paid in full and that a deadline for payment had been issued for February 2, 2004.

Due to the fact that I was never made aware of these circumstances and that my patent application was in danger of being deemed abandoned, the attorney of record has been dismissed. You will find accompanying this petition a copy of the REVOCATION OF POWER OF ATTORNEY form that was faxed to USPTO Applications Office on Monday, May 17, 2004 also in which the original was mailed via USPS to the very address listed at the top of this page on the same day.

Please find it in your hearts to waive the extra \$740.00 in additional fees and/or penalties. I feel strongly that I am not deserving of this penalty. Had I been aware of the status of this patent application I would have made timely payment and there would never have been a reason to assess these additional fees.

Thank you kindly for your consideration.

Sincerely,

Craig Wightman
